## GOLF COURSE NEWS

### HOLE OF THE MONTH

#### HOLE 2 - PAR 3

This long, elevated tee shot over a rugged valley is best executed with a high cut. Any miss must be left, as right-side bunkers protect this large, yet challenging, green.

## ON THE LINKS

It has been a warm start to Spring, with 4-5 record high days set in March. The warmer weather has its benefits, like helping the greens heal up from aeration sooner. Dry, warmer days are better for golfing and getting work done on the course. All the grasses have greened up, the plants are blooming and are looking great. We have been mowing, working on irrigation and will be applying the first rounds of fertilizer soon. Hopefully the frosty days are behind us and look forward to a wonderful, mild Summer. See you on the course!

Thanks.

## A MESSAGE FROM YOUR GOLF PRO

Hello BHGC Members!

I hope you each had a wonderful Easter and have been out enjoying this great weather. The Golf Shop is jam packed with cool stuff right now. Scotty Cameron Putters, new TaylorMade clubs and throwback hats, apparel from your favorites like Travis Mathew and Under Armour. So, make your way in to pick up something new and exciting.

We will be hosting the Boys and Girls Club golf tournament on Thursday May 7th, the course will be closed on this day, and the practice areas will be closed until 11am. If you would like to sign up a team, please visit their website: [www.bgcozarks.com](http://www.bgcozarks.com)

## KEEP YOUR ENGINE FUELED!

by Austin Fickel, Head Golf Professional

Struggling on the last few holes or finishing with a blow-up? Your energy may be running low. Keep your body and mind fueled with small, regular snacks like nuts, jerky, PB&J, and fruit. These provide steady energy better than one big meal. Stay hydrated too—alternate water and sports drinks every couple of holes to maintain energy and avoid blood sugar spikes.

## PLEASE REPAIR DIVOTS

### Ball Mark Repair Tips USGA

A ball mark repair tool is recommended, but other pointed devices can be used.

**PUSH, DON'T PRY**  
Starting from the back and sides, gently push and stretch the turf to the center of the mark.

**WORK AROUND**  
Work around the ball mark until it's filled in. Avoid lifting and twisting the turf harshly.

**FINAL TOUCH**  
Use your putter to lightly tap down the mark. Fix other marks to keep putting greens at their best.

## A MESSAGE FROM DAN

The weather has been a bit of a challenge so far this year as we have been a little on the dry side, but a few recent timely rains and a warmer forecast might finally indicate the arrival of Spring. The recent rains have been beneficial to the healing of the greens after aeration, and the maintenance crew is doing a great job prepping the course for the season. The restaurant has been busy so far this year and Kyle and Kim continue lining up some fantastic lunch and dinner specials. Our April Member Dinner will be our Shrimp Boil on April 23rd see the flyer on page 7. This was a very popular dinner last year and one you would not want to miss! Through the HCW Cares program BHGC along with the Magnolia Grille will be sponsoring a food drive. Your donation of non-perishable food items will get you 20% off your next entrée at the Grille. Donations will be accepted through April 28th, and we will deliver on the 29th. Don't Forget to check out Trivia Night on Friday April 17th as these have been a lot of fun! We hope to see you out on the course soon as April is one of the prettiest months to play as this is when we get to experience the blooming of both red buds and dogwoods at the same time. We hope to see you all very soon!
